REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 1-15, 27-29 are allowed because none of the prior art alone or in combination teaches or suggests the particular subset of the process steps in forming undoped rugged polysilicon, the first TiN capacitor electrode having an innermost surface area per unit area and an outermost surface area per unit area that are both greater than an outer surface area per unit area of the substrate, the innermost surface of the first electrode comprising a surface of the first electrode that is firstly formed over the substrate and the outermost surface of the first electrode comprising a surface of the first electrode that is lastly formed over the substrate.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
